Accounting: Theory and Practice: Amazon.co.uk: Glautier ...

Introduction to Financial Accounting, 8/E, describes the most widely used accounting theory and practice with an emphasis on what accounting is rather than on what it should be. IFA, 8/E, takes the view that business is an exciting process and that accounting is the perfect window through which to see how economic events affect businesses. Because we believe that accounting aids the understanding of economic events and that accounting builds on simple principles, this book introduces a ...
