C programming language standard ISO/IEC 9899:1999 ... Interesting about the local/global, this also applies to struct tm time values. I had a local one and in one case DST was on, in another it wasn't, not due to anything I did. I wasn't using DST (the tm_isdst field), this was from strptime, but when I converted to time_t some were an hour off. - Alan Corey Jun 13 '17 at 20:01. add a ...
