Coincidences in the Bible and in Biblical Hebrew (New and ...

Although we do not find the name of God mentioned even once in the book of Esther, throughout the book we are conscious of God working things together behind the scenes to accomplish His purposes. It is Providence, not coincidence, that is obviously at work in the events of Esther, and the hand of God is everywhere evident in this book. In fact, the concept of Providence is actually enhanced in Esther because God chose not to put His name in the headlines, but rather everywhere between the ...

Coincidence - or Providence? | Growing Christians Ministries

There are two categories of undesigned coincidences pertinent to the New Testament: internal and External. As the labels suggest, the former concerns details which are filled in by other Biblical (i.e. internal) sources, while the latter concerns details filled in by other extra-Biblical (i.e. external) sources.
