Pick your character's name carefully, as you can never change it later. Your name is part of your identity, and it will influence how your corpmates think of you. In EVE Online, most corporations make use of voice communication (e.g. Mumble) during fleet operations, and also use their voice server available for casual chatter. You will sometimes need to identify yourself with your name while using voice comms, and other fleetmates will use your name to give you intel or instructions.
